## FOOD and WINE ROUTE

Ajdovščina is economic and cultural centre of the Vipava Valley, which lies in the west of Slovenia, 25 kilometers from the Slovene-Italian national border. It takes only an hour drive on the highway to reach Ajdovščina from Ljubljana, the capital city of Slovenia.

The town has an extremely rich and agitated history, so today it offers to its visitors a vast natural and cultural heritage. The Vipava Valley is noted for its exquisite cuisine and colorful offer of white and red wine. The Vipava wine route, which is marked with special wayposts is inviting you during the whole year. On the route you can stop on various restaurants, tourist farms, wine cellars where they can offer you genuine wine and home produced and cooked food. Among the people of the Vipava Valley who work hardly trough whole year you will find the warmth of the original country home.
